Sir:

An earlier petition in this reissue application was dismissed in a decision mailed April 23, 2010. This is a renewed petition that overcomes deficiencies of the earlier petition. The petitioner asks that this renewed petition be granted in that it overcomes the noted deficiencies.

The Director is authorized to charge any petition fee to Deposit Account 19-0733. The Director also is authorized to charge any additional amount required or credit any overpayment to Deposit Account 19-0733.

As said in the decision on petition, the reissue applicants face the situation of Office-asserted need for a supplemental reissue declaration in the presence of a deceased inventor, who left an estate without a legal representative of that estate, and five heirs, one heir being of unknown whereabouts for about 18 years. The earlier petition of the applicants sought to file the supplemental reissue declaration with signatures of co-inventors for the deceased inventor. The

Applicants have demonstrated that the heirs of deceased co-inventor Larren F. Jones in all of their persons, *i.e.*, the legal representative of the deceased inventor, cannot be found or reached after diligent effort. Accordingly, it is respectfully submitted that this renewed petition is proper pursuant to 37 C.F.R. §1.183 and should be granted.

Respectfully submitted,
BANNER & WITCOFF, LTD.
